### **A Note from the Pastor...**

Do you take the Word of God to heart? Is it a resource along the line of an encyclopedia? Is Scripture a store of wisdom, similar to Aesop's Fables? Is it a source of comfort in life's struggles and challenges?

In some ways God's Word is all of those things, but also much more. My hope is that it is more than that for you. I hope all of us are following the words of Paul in Philippians 2:16 as he writes that we need to hold fast to the word of life, the Bible. But how? So many people agree that holding onto God's Word for dear life is a good thing to do and some even make it a New Year's resolution. How do we turn good intentions into good habits and daily routines?

For me, whether it is exercise or my daily time with God, it has to be readily available. I have to do these kinds of habits at the beginning of my day or else they easily get crowded out. If you are looking to hold fast to the word of Life, there are an overwhelming number of resources that you can use to create a daily habit. Let me give you just a few.

If you have a smart phone you can go to the "app store" and search for the "*You Version Bible: Daily Study, Audio & Prayer*". There are hundreds, maybe thousands, of devotional studies available. There are many that will interest and appeal to you. They will also help you to hold fast to Scripture. This app also has the entire Bible in several translations available, so you will have the Bible with you wherever you go (if you don't already).

If you want to have something you can literally hold on to, devotionals like "*Daily Bread*" are kept here at the church. Christian bookstores have a plethora of materials. My office and the church Library have numerous possibilities.

If you already are using a devotional resource, wonderful. The only way to start is to *actually start*. It's much easier to do nothing, but also more costly in your relationship with Jesus Christ. Make it a habit, a part of your daily routine. Make it easily available. Spend time in the Word of God. Spend time in prayer (you can use the Weekly Prayer Guide on the insert in your bulletin). But the only way to start is to *actually start!!* Hold fast to the word of Life.

## **New Members to Walkersville Evangelical Presbyterian Church**

Please continue to welcome and to get to know our new members:

### **Fall 2019**

#### **Ann Rose**

Ann & Grady Rose have lived on Tom Greene Road since 1974. They have been married for 58 years. They have four daughters, who live in Charlotte, Mt. Gilead, Summerville, SC, and Indianapolis, IN. They have three grandchildren and one great-grandchild, who is a “sweetie.” Grady worships in his home church in South Carolina. Ann grew up Baptist and joined the Lutheran church when she got married. While a part of the Methodist church she became a part of various ministries. Ann continues to serve Christ through these ministries, visiting the people who are shut-in and have become her friends. She also helps with Operation Reach out. She became familiar with the church when Walkersville participated in joint holiday church services with Turner Presbyterian and Prospect Methodist. She started attending services after Dennis & Debbie Robinson encouraged her to visit. She has very fond memories of Mr. & Mrs. Bob McCain welcoming her each week.

#### **Audrey & Larry Schott**

Larry and Audrey Schott have been married for 53 years. They have lived in the area since 1975. They have 2 sons, one daughter-in-law, and six grandchildren, who are 13 to 24 years old. They all live in the area. They transferred their membership to Walkersville EPC from Turner Presbyterian Church. When they first visited Walkersville, it felt like “old home week,” as they knew a number of people in the church. They are thankful to be able to help with two Chicken n’ Dumplings and hope to serve Jesus Christ in other ways. Audrey would like to be a part of the congregational care by keeping in touch with other church members through sending cards of encouragement and celebration. She also likes to do crafts. Larry has had cancer for 10 years and been on kidney dialysis for the past three years, so prayers are always appreciated. He can no longer do the physical upkeep of the church property, like he did at Turner, however, he is willing to assist with phone calls and setting up appointments where needed. Larry also likes to fish and listen to Bluegrass gospel music. They are thanking God that we can all worship together “Under the Oaks”, enjoying the trees and the beauty of the church.

#### **Debbie Rankin**

Debbie is joining are joining Walkersville EPC with a letter of transfer from Christ Community EPC, Montreat, NC. Debbie and Paul moved to the area just over one year ago when Paul became the pastor at Walkersville. Debbie grew up in Kansas on a farm and attending a Presbyterian church. During her college years she served as a short-term missionary at Pine Springs Camp in Pennsylvania, where she and Paul met. They got married in 1987 and lived most of the next 26 years in Somerset County, PA. Then they moved south for Paul to go to seminary. Debbie has worked with children in various jobs and ministries, including a Mother’s Day out program, camping ministry, childcare, foster care, and most importantly being a mother. They have a son, daughter-in-law, and daughter, and two amazing grandsons. Debbie wants to continue serving Christ by encouraging parents and children as they live in this world through ministry and outreach in the community. She enjoys gardening, hiking in the woods, and, for the first time, this year began riding a bicycle with Paul.

### **June 2020**

Richard & Frances are joining Walkersville EPC with a letter of transfer from Duluth First United Methodist Church in Duluth, Georgia. Richard was born and raised in Atlanta, Georgia. Frances was born and raised in Mississippi. They met after Frances moved to Atlanta, and have been married for 38 years. Frances was a financial analyst for the federal government for 30 years. Richard was in furniture sales and property management before his retirement. They moved to North Carolina to be closer to Richard’s sister who lives in the JAARS area. They have one son, two grandsons, and one great-grandson. Richard likes to spend time in his backyard gardening. Frances spends her time

cooking, reading, and cross-stitching. Their first Sunday at Walkersville felt like God “opening the door and saying this is where you belong,” and they have felt Christ’s love ever since. Frances would like to join the church choir once it begins so she can praise God during the worship service. Richard wants to be a servant wherever there is a need at Walkersville by using his carpentry skills and helping with church events.

---

### **Sunday School Teachers Needed**

We are in need of new Sunday school teachers. If you are interested in teaching 1st through 6th grade or in leading the John Knox Sunday school class, please let Dennis or Debbie Robinson know. These classes need new leaders. Dennis has had the John Knox class for years and he hopes someone else will accept the challenge.

---

### **Food Pantry**

The food pantry at Prospect is always in need of donations to meet the growing need. Canned soups and non-perishable items are helpful. Please bring them to the back of the church and let’s see how fast we can fill up the barrel!

## POTPOURRI II

by Layne Dewlen

GOOD GRIEF!! Do you feel like you have awakened on another planet? The things that are happening, and the speed of change is mind boggling. As the saying from years ago stated, "Stop the world, I want to get off!" Does that pretty well say how you feel? It's where I am these days, and I'm so glad God has promised He is going to take us out of this old world in what I would call a rescue operation, before the wrath of God is poured out upon this sin-filled ball.

Our little 8-pound puppy dog that we have had for 8+ years died this week, (as I write). It was hard to dig the hole and put him in it. He was aggravating, and very hard headed....and so loving. It's something how attached you become to them. As I was burying him, I got so mad at Satan, sin, and separation. After all, he is the reason for it all. Satan caused sin, and sin causes separation. Then I thought about where we are going soon, and about what this earth will be like when Christ reigns here in person.....and to think we will reign with Him! (2 Tim. 2:12, Rev. 5:10). By the time of thinking all that through, the sorrow was turned to joy. Even so, come Lord Jesus! (Rev. 22:20)

I came across something that caught my attention, it's short, but makes one think. "We err when we think that it is God's mercy or kindness that allows man to continue in sin. It is actually His wrath that allows us to go on destroying ourselves with sin."

Have you heard of a man by the name of Watchman Nee? He was a Chinese man who was an overseer of a number of churches in China, and stayed after the communist came. He spent much time in prison, and in fact died there in 1972. Check out his biography on line. He wrote a number of books which were translated into English. If you can find one of his books, I guarantee your spiritual life will be changed. Anyway, here is a couple of things he said, "I don't want to be more like Jesus; I want Jesus to be Himself living in me." He visited Great Britain once and made the comment, "Your people have wonderful light, but oh so little faith." That hurts. Last one, "Show the world the fruits of Christianity and it will applaud; show it Christianity and it will oppose it vigorously!

Years ago, when there were gas station attendants, (I was one), the story I heard went like this. A minister waited in line to have his car filled with gas just before a long weekend. The attendant worked quickly, but there were many cars ahead of him. Finally, the attendant motioned him toward a vacant pump. "Reverend," said the young man, "I'm so sorry about the delay. It seems as if everyone waits until the last minute to get ready for a long trip." The minister chuckled, "I know what you mean. It's the same in my business."

Have you ever thought how modern technology is shown in the book of Revelation? Take for instance how it would be impossible to control everything bought and sold whether you have the mark of the beast without a massive computer. Then there's the mark itself. I remember reading a book years ago that had a cover showing a man with a bar-code on his forehead, but today they can mark you so it is invisible to the human eye. Also, how could they stop you from buying with money? That's where cryptocurrency comes into play; with one keystroke your money no longer exists. Don't forget the two witnesses of chapter 11. How could the whole world see them killed in Jerusalem, rise from the dead, and go into Heaven? It could not have been done until this generation with world-wide TV coverage. Lastly, we now understand how there could be a statue, (chapter 13), that thinks and talks because of AI (Artificial Intelligence). It seems we are that generation that was spoken of by Jesus in Matt. 24:34. MARANATHA!

## **RECALL NOTICE!**

Layne Dewlen

The Maker of all human beings (GOD) is recalling all units manufactured, regardless of make or year, due to a serious defect in the primary and central component of the heart.

This is due to a malfunction in the original prototype units code named Adam and Eve, resulting in the reproduction of the same defect in all subsequent units. This defect has been technically termed "Sub-sequential Internal Non-Morality," or more commonly known as S.I.N., as it is primarily expressed.

Some of the symptoms include:

1. Loss of direction
2. Foul vocal emissions
3. Amnesia of origin
4. Lack of peace and joy
5. Selfish or violent behavior
6. Depression or confusion in the mental component
7. Fearfulness
8. Idolatry
9. Rebellion

The Manufacturer, who is neither liable nor at fault for this defect, is providing factory-authorized repair and service free of charge to correct this defect.

The Repair Technician, JESUS, has most generously offered to bear the entire burden of the staggering cost of these repairs. There is no additional fee required.

The number to call for repair in all areas is: P-R-A-Y-E-R. Once connected, please upload your burden of SIN through the REPENTANCE procedure. Next, download ATONEMENT from the Repair Technician, Jesus, into the heart component.

No matter how big or small the SIN defect is, Jesus will replace it with:

1. Love
2. Joy
3. Peace
4. Patience
5. Kindness
6. Goodness
7. Faithfulness
8. Gentleness
9. Self-control

Please see the operating manual, the B..I.B.L.E. (Basic Instructions Before Leaving Earth) for further details on the use of these fixes.

**WARNING:** Continuing to operate the human being unit without correction voids any manufacturer warranties, exposing the unit to dangers and problems too numerous to list, and will result in the human unit being permanently impounded. For free emergency service, call on Jesus.

**DANGER:** The human being units not responding to this recall action will have to be scrapped in the furnace. The SIN defect will not be permitted to enter Heaven so as to prevent contamination of that facility. Thank you for your attention.

-GOD

P.S. Please assist where possible by notifying others of this important recall notice, and you may contact the Father any time by "Knee-mail."
